# Comment utiliser le livret de maison ?

## 1. Présentation du livret

Le livret de maison conçu dans le cadre du programme « Lecture Pour Tous » est destiné aux élèves du Cours d'Initiation (CI) de l'école élémentaire. C'est un outil qui permet, après les apprentissages en classe, d'accompagner l'élève pour un travail de remédiation, de renforcement à domicile et d'augmentation des opportunités de lecture. Le livret est structuré selon le même modèle que le livret de classe.

## 2. Conseils aux parents

- Veiller à une bonne préservation du livret ;
- Mettre l'enfant dans un endroit calme avant de le faire lire ;
- Le faire lire à haute voix au moins pendant 15 minutes par jour toute la page de la leçon du jour ;
- Lui demander d'identifier l'image qui correspond à la phrase ou au paragraphe lu en fin de leçon ;
- Utiliser les symboles et pictogrammes pour l'orienter et lui permettre de se positionner sur les lignes de lecture ;
- L'écouter et lui apporter l'aide nécessaire en termes de remédiation, en revenant sur ses principales difficultés ;
- Veiller à ce que l'élève ramène son livret en classe chaque vendredi matin.
- Veiller à une application des suggestions de l'enseignant(e).

## 3. Les symboles et pictogrammes

Les symboles et pictogrammes utilisés permettent à l'élève d'avoir des repères pour se positionner au niveau des éléments à lire. Il s'agit d'éléments très familiers qu'il connaît déjà.

	Chanson : lettres majuscules
	Apprentissage des lettres majuscules
	Lecture des lettres majuscules
	Révision apprentissage des lettres majuscules et minuscules
	Construction de syllabes CV et VC

Des symboles sont également utilisés pour permettre à l'apprenant(e) de se positionner d'abord en prelecture sous les 5 différentes rangées de la chanson de l'alphabet (★ ▲ ■ ● et ♥).

Et dans les autres leçons à tous les niveaux, de la révision de lecture de lettres à la lecture de paragraphes (★ ▲ ■ ● ♥ ☾ ☀, ...).
