

Usuku lwamaLungelo oLuntu eMzantsi Afrika
lubhiyozelwa ngomhla wama-21 kweyoKwindla
rhoqo ngonyaka.

Le ncwadi ingembali nokubaluleka kwale holide.

Ngexesha localucalulo, abantu abamnyama eMzantsi Afrika babecinezelekile.

Abantu babesilwa nocalucalulo nemithetho yalo eyayingalunganga. Babesilwela inkululeko kwanamalungelo alinganayo.

Ngomhla wama21 kweyoKwindla minyaka yonke, ilizwe liye likhumbule amaqhawe enkululeko.

Ngonyaka we1960 ngomhla wama21 kweyoKwindla, abantu baseSharpville nakwaLanga bamatsha.

Babeqhankqalazela imithetho eyayinomkhethe yorhulumente wocalucalulo. Babematshela umthetho we'Dompasi'.

"Amandla! Ngawethu! Amandla ebantwini!" Bakhwaza abamatshi.

ESharpsville, babecula kwaye bematsha ngoxolo besingise esikhululweni samapolisa.

Athi akubona isiqhu sabantu amapolisa, ahlasela abamatshi.

Abantu babaleka, abanye benzakala. Abanye basweleka.

Umhla wama21 waqala wakhunjulwa njengosuku lwaseSharpville.

Lo mhla wenziwa iholide emva konyulo lwedemokhrasi ngonyaka we1994. Ngale mini ilizwe liye likhumbule abantu abalwela inkululeko. Yindlela yokubabulela le.

UMzantsi Afrika unoMgaqosiseko wedemokhrasi.

Abantu abawubhalayo lo Mgaqosiseko mtsha babefuna kuhlontshwe amalungelo abo bonke abantu.

UMgaqosiseko waseMzantsi Afrika, ucwangcisa amalungelo nemisebenzi yabo bonke abahlali. Wonke umntu unelungelo elifanayo.

Yonke iminyaka umhla wama21 kweyoKwindla yiholide.
Iiofisi nezikolo ziyavalwa.

Yiholide yokubhiyozela amaLungelo oLuntu. Yimini
yokubhiyozela ukulingana kwabantu.

Abantu bayibhiyozela kwaye bayihloniphe le mini
ngeendlela ezohlukeneyo.

Abantwana bangayibhiyozela le mini ibalulekileyo ngokuthetha ngamalungelo wabo njengolutsha.

Ewe, abantwana nabo banawo amalungelo!

Amalungelo abantwana ngamalungelo akhethekileyo, abantu abangaphantsi kweminyaka eli18.

Bonke abantwana banamalungelo alinganayo. Uyawazi amalungelo akho?

“Ilungelo lokukhathalelwa,” watsho uNtombi.

“Ilungelo lokuba negama!” wakhwaza uNtsuku.

“Ilungelo lokuhlala elizweni lam okanye nakweliphi na ilizwe,” watsho uShadrack.

“Ilungelo lokukhuseleka,” watsho uMelanie, ngasemva.

“Ilungelo lokufunda,” watsho uArnold.

“Ilungelo lokungaviswa ubuhlungu okanye lokungaphathwa gadalala,” watsho uNhlayiselo.

Lawo ngamanye amalungelo abanawo abantwana.

Sinamalungelo ukanti sinazo neemfanelo.

Sinamalungelo kwanoxanduva.

Abantwana bona banoluphi uxanduva?

“Imfanelo yokwenza imisetyenzana yasekhaya,” watsho uAnna.

“Uxanduva lokugcina umzimba nengqondo yam zisempilweni,” watsho uNtsuku.

“Uxanduva lokuphatha abanye ngendlela nathi esingathanda ukuphathwa ngayo,” utshilo uChumani.

“Uxanduva lokwenza konke okusemandleni am esikolweni,” watsho uMiso.

“Uxanduva lokuhlonipha amalungelo abanye abantu,”
watsho uLerato.

Sisonke sinoxanduva lokuhlonipha amalungelo abanye
abantu.

Bayalingana bonke abantu.

Usuku lwamaLungelo oLuntu lungenkululeko
kwanokulingana kwethu sonke.
