

Ithando lamawele

Evah Tukisi

UWethu noWabo mawele. Baneminyaka
elitjhumi nambili. Bathanda ukudlala bobabili.

UWabo usebenzisa isihlalomavilo.

UWethu uthanda ukusunduzisa uWabo
ngesihlalomavilo sakhe.

UWabo akakuthandi ukusunduzwa.
UWabo ufuna ukuzisunduzisa ngokwakhe.

Ngokuvamileko, uWethu bekasunduzza uWabo. Akhange abone imigodi engaphambi kwesihlalomavilo.

Ivilo langaphambili langena ngemgodini.

Isihlalomavilo saketuka, uWabo waduleka phasi.

“Uyabona ke, Wethu, ngiwile. Kungakho ngingafuni ukusunduzwa.”

UWethu walinga ukusiza uWabo kobona akhwele isihlalomavilo.

Wala ukusizwa.

UWabo wadosela isihlalomavilo eduze naye.

Wasebenzisa izandla, wakhwela
isihlalomavilo.

“Uyabona, ngingakwazi ukuzenzela ngokwami,” kukhuluma uWabo ngokuthaba ahlezi kiso isihlalomavilo.

UWethu bekamthabele. Wathatha ibholo ngemuva kwesihlalomavilo wayiphosela uWabo.

Amawele athabile womabili begodu
baphoselana ibholo ngesikhathi uWabo
azisunduza ngesihlalomavilo.
